Rev. 19 – Man On a White Horse

Rev. 20 – Satan Bound, White Throne Judgment

Rev. 21 – New Heavens and Earth

Rev. 22 – Tree of Life

Relationships grow by spending time together. There are few ways to better spend time with our Creator than reading His recorded message to His people. Reading the Bible in chronological order has the added benefits of clearly presenting the covenants, promises, prophecies, and their fulfillments in an orderly sequence. These benefits help demonstrate the consequences of one's actions in blessings and cursings, enhances our discernment of good and evil, and ultimately shows the Eternal's great love for man kind.
